RELEASE "K-3-53"

FOR YOUR INFORMATION:

EXCERPTS FROM LETTER, "DR. KAPPA" to M.L. - MARCH 1953:

"I left Califonria several weeks ago in an effort to regain something of my former health, and have travelled slowly, quietly, burning my bridges behind me. I have spoken to as many groups as I could find willing to listen to me, in Arizona, New Mexico, Texas, and several of the southern States especially along the Gulf, since these are the areas my "Informants" assure me will be in particular danger.

"My personal life is a thing of the past. I have liquidated everything I could to raise funds to carry on with this trip, with only one assistant and a secretary . . . I find so much prosperity everywhere that few are willing to listen to any warnings about the possible collapse of their aircastles. But I am doing what I feel I must, in order to vindicate those Great Voices Who have supported me thus far. . . .

"I wanted very much to come to San Diego for a visit with you, but an endless chain of obstacles and personal difficulties made me realize that if I was to get away at all, I would have to leave suddenly and more or less secretly - which I did ...

"It is very conforting to find BSRA papers almost everywhere I go...

"If I could spare the time to stay several weeks in each place I could build up quite a large following. Unfortunately, there is no time for such slow developments. . . I am returning to New Orleans . . . it has been almost impossible to give a mailing address --

Cordially but hurriedly

Knowing something of the great occult knowledge and powers of "Dr.K," as well as of his complete personal integrity and selfless labors for others, I consider the implications of this letter as profoundly important. I join with you in the hope that all forebodings prove uncalled-for - yet the fact remains that all occult sources known to me point toward great and imminent disasters.
